Dear Dave,

As we get underway with the 29th season of the Newport Symphony, I want to take a moment and extend a HUGE thank you to you and the team at Yaquina Bay Communications for all you do to help bring beautiful music to the central Oregon coast. From the donated PSA's and radio spots to broadcasting our annual Fourth of July concert from Newport Middle School, YBC has been there every step of the way.

We are proud to tell our community about your support by posting your logo on our website and listing you in our concert program insert.

As you know, the process of presenting a full season of concerts is no easy task. With the help of our friends at Yaquina Bay Communications, the work is so much easier.

Gratefully,

John W. Lavrakas

Subject: Luv your Playlist

I'm a new fan from the distant past. Your music lineup boosts my spirits everyday. I fall out of your demographics (age 60) but I love everything you play, including the stuff from musicians new to me and young enough to be my grandchildren. I'm racing to web everyday to look up vocalists while they're on the air. You've also woven in hits from my days of youth that I've not heard for years.

Thanks for such an absolutely brilliant selection of diverse artists, all of which complements each other and beg me sing along!
